Remembrance Day Service at

Remembrance Garden, Anslow

November 11th 2020 will mark 102 years of remembrance since the end of the First World War, and in common with many parishes, we would normally be holding our Service at the Remembrance Garden near to Leyfields in the village.

However, in light of the current situation with Covid and the ever-changing Government guidance regarding events and social gatherings, the parish council have with regret, decided not to hold this service this year.

The councillors are very mindful that this service gives our community the chance to come together and remember those, who were connected to our parish, who lost their lives in service to their country and therefore this decision has not been taken lightly.

We understand that Holy Trinity will be holding their Remembrance Service on Sunday 8th November. This will be held inside the church and will be limited to 30 people. If you would like to attend this service, which starts at 11.15am, please contact Ann Lowe, Church Secretary on Burton 812428 or email ann.lowe@talktalk.net.

The Royal British Legion has also have created a [virtual field of remembrance](#) where people can virtually plant their Tribute from home, and explore other Tributes made to remember the fallen.
