

FOOTPATHS AND BRIDLEWAYS IN ANSLOW

There are 18 miles of **public paths/bridleways** in the Parish of Anslow and volunteers for the Community Paths Initiative (CPI) are always needed to help keep these routes passable. Anslow also needs volunteers to help collect roadside litter to keep our village clean and tidy. If you are interested in joining either the CPI team or the Litter picking team, you would be made very welcome. Please contact the [Clerk](#) for further details

Below is an example of the excellent clearance work carried out by our volunteers around one of our parish stiles this summer

Before.....

And afterwards.....
