VALUABLE TIPS TO BEAT BURGLARY

- If you have a chain on your door, use it. Don't remove it unless you're absolutely certain that the person is genuine
- Close and lock all your doors and windows, even if you're only going out for a few minutes
- Make sure that any valuables are out of sight
- Keep handbags away from the letterbox or cat flap and hide all keys including car keys. Thieves could hook keys or valuables through a small opening
- If you're out all day use a timer device to automatically turn lights and a radio on at night
- Set your house alarm
- Make sure the side gate is locked
- Lock your shed or garage
