For

## Anslow Parish Council

Welcome to Anslow Parish council's website and we hope you find our website accessible and easy to navigate. We have used text which is easy to understand. We want as many people as possible, to be able to use this website.

### Reporting accessibility problems with this website

We know some parts of this website are not fully accessible and therefore if you need information on this website in a different format please email the clerk on [clerk.anslowparishcouncil@gmail.com](mailto:clerk.anslowparishcouncil@gmail.com) or ring the clerk on 07775 847425 and we will consider your request and get back to you in 7 working days.

We will welcome your feedback as it will help us to improve our website for the future.

### Disproportionate Burden

Anslow Parish Council is a very small parish and at this time, a detailed Accessibility Check would represent a disproportionate burden to the Council budget. However it is currently assessing options and the cost of fixing the accessibility issues with navigation and accessing information, and with interactive tools and transactions. We believe that doing so now would be a disproportionate burden within the meaning of the accessibility regulations. We will make another assessment at our 4<sup>th</sup> November parish council meeting when further information has been obtained.

### Improving Accessibility

Anslow Parish Council is committed to making information available to all parishioners and wider public which can also be accessed via two parish notice boards, email or telephone call.
